► **FALL LIVESTOCK SHOWS**

The fall livestock show season is beginning with county fairs across the state, and many are scheduled in July through December. Now is the time to be getting everything in order. Be sure beef and dairy cattle registration papers are in order (original copy in 4-H'ers name, etc.). Remind your 4-H'ers about the various management practices needed in preparation for the show and health regulations. Also, remind them that different shows may have slight differences in their rules and regulations. Attached is a calendar of livestock shows, dates and contact persons that I have.

► **STATE FAIR CATALOG**

The 2001 State Fair catalogs are at the printers. We will get them to you as soon as they are available. Attached is a copy of the schedule for the 2001 MS State Fair.

► **STEER SHOWS AT 2001 MS STATE FAIR**

There seems to be some confusion about Item #16 of the recommendations from the Livestock Council to the Livestock Show Directors. The Livestock Show Directors approved changing the steer shows at the MS State Fair to a Prospect Steer (those weighing 899 pounds and under) Show and a Progress Steer (those weighing 900 pounds and over) Show. **However, these shows will not go into effect until the 2002 MS State Fair.** The Livestock Show Directors did not pass the rule that steers had to be in the possession of the owner by June 1<sup>st</sup> and verified by a nose print and ear tag by June 1<sup>st</sup>.

► **SPRING LIVESTOCK SHOWS**

It's not too early to be thinking about spring shows. Now is the time to be determining additional needs for spring shows (numbers, species, breeds, etc.) and be locating them.

► **REMINDER – NOMINATION OF MARKET LAMBS, MARKET GOATS AND STEERS**

All market lambs and steers in the 2002 spring district shows and Dixie National Round-Up Show must be nominated and nose printed by September 15, 2001. **You must have 2 clear nose prints on each animal nominated.** Also, market goats must be nominated by September 15, 2001. At the present time, we are not nose printing goats. Order forms for lamb, steer, and goat ear tags, nose print cards, and nomination forms have been mailed to you. If you did not receive a copy, please let me know (662-325-3515). September 15<sup>th</sup> will be here soon!

► **REMINDER – OFFICIAL HEALTH CERTIFICATE – MISSISSIPPI STATE FAIR**

All animals showing at the 2001 Mississippi State Fair will be required to have an Official Health Certificate to enter the Fairgrounds in Jackson. **This is a change from previous years.** This includes all market animals.
