► **RECRUITING NEW MEMBERS**

Spend some time promoting the 4-H animal and dairy science projects. This would be an excellent time to make personal contacts with potential project members, doing a news release or a radio program, having a county meeting, organizing livestock clubs, or whatever works for you.

► **CONTESTS REMINDERS**

4-H district and 4-H Club Congress Contests will be here soon. Now is the time to be lining up participation and planning county contests. Contests in the 4-H animal and dairy sciences area are Visual Presentations for juniors (three divisions included [1] beef, sheep, swine, market goats; [2] horse; [3] dairy animals, dairy goats, dairy products) AND seniors (four divisions included [1] beef; [2] sheep, swine, market goats; [3] dairy animals; [4] dairy products.) Other contests available are meats judging/identification contest, meats bowl, and dairy bowl for senior members and dairy products judging for juniors and seniors. These are excellent contests. If we can provide you with information about these contests, please let me know.

► **4-H DAIRY PRODUCTS JUDGING WORKSHOP**

A 4-H dairy products judging workshop for 4-H'ers, volunteers and agents will be held Thursday, May 30th at 10:00 a.m. in the Ammerman-Hearnsberger building, which is located directly behind Ballew Hall. Ms. Julie Wilson with the Food Science and Technology Department will provide the training. Please let me know by May 24th, if you have participants that plan to attend the training. This would be an excellent opportunity for your 4-H'ers that plan to participate in this contest at district or state competition.

► **MISSISSIPPI JUNIOR DAIRY PRODUCTION CONTEST**

I encourage you to give special promotion to our junior production contests. The 4-H dairy project member must own a registered Holstein or Jersey cow that is on an approved testing program. An entry form, JD-1, must be filled out within 60 days after the cow is fresh. The participants' entries will be ranked on ECM and awards are given at the annual meeting of the Holstein and Jersey Associations.

► **MSU LIVESTOCK JUDGING WORKSHOP & ORAL REASONS CAMP**

The Animal and Dairy Sciences Department will again be conducting Livestock Judging & Oral Reasons Camps for those students involved with judging team activities. This will be a very intensive 3½ day camp with session held all day and each evening. The schools will be conducted by Tommy Shields, MSU Livestock Judging Team Coach, with assistance from current judging team members.

The camp will start on Tuesday, June 11, at 10:00 a.m. and conclude with a contest on Friday morning, June 14, finishing at noon. The cost for the school will be \$150.00 for participating youth which includes room, meals, tee-shirt, and pizza party. The students will stay in a dorm with meals in the cafeteria. The students will need to bring bedding and towels. We would also like to invite any interested Ag teachers or County Agents to attend for a charge of \$100.00.

This will be a working school, but also provides interaction with MSU staff members and students and other 4-H and FFA members . . . a great opportunity for those wanting to become competitive in judging contests and improve upon their communication skills. Alert your judging team members about this workshop. The school will be limited to the first 30 applications - - at least 14 years of age and still in school. Registration forms are due May 24, 2002. We will send more details to you once the registration form is received. If you did not receive a registration form sent out in April, please call 662/325-2802.

► **ALERT HORSE PROJECT MEMBERS ABOUT OWNERSHIP!!!**

Remind your 4-H'ers and adult leaders that May 1 is ownership deadline for horses to be shown in the 2002 4-H horse shows. Also, each horse showing in the district 4-H horse shows must be accompanied by original registration certificate or official ownership form for grade horses. Copies of registration certificate or ownership form must also be sent in with entries by district show deadline. Horses must be in the name of the 4-H'er, or in the name of an immediate family member (farm name is not eligible). Also, any youth that wishes to show in this year's District and State 4-H Horse Shows must be a 4-H member by May 1.

An official certificate showing a current (good for one year) negative Coggins test will be required on all horses that show in district and state 4-H horse shows. These certificates will be checked and must be in possession of the exhibitor and/or with the horse at the shows. Now is the time to be taking care of these important matters. Alert your 4-H'ers.

▶ DIXIE NATIONAL SALE OF JUNIOR CHAMPIONS

The 2002 33rd Sale of Junior Champions was another great event for our youth involved in the Animal and Dairy Sciences Program. The Sale's committee is to be commended for the hard work that they put into this sale to make it such a success. This was the ninth year in a row for the sale to gross over \$100,000. Gross total for the 37 animals sold was \$172,358.50. The nine steers averaged \$7.72/lb.; the thirteen hogs averaged \$14.38/lb.; the thirteen lambs averaged \$18.54/lb.; and the two goats averaged \$26.00/lb. The Grand Champion Steer, which was purchased by East Ford, Gray-Daniels Ford, and Watson Quality Ford, sold for \$15.00/lb. for a total of \$19,095 and was the highest selling animal in the sale. The Grand Champion Hog, which was purchased by Wilson Meat House and Wilson Farms, sold for \$31.00/lb. for a total of \$7,750. Mississippi Chemical Corp. and Linwood Gin Co. purchased the Grand Champion Lamb for \$41.00/lb. for a total of \$5,330. The Grand Champion Goat, which was purchased by Time-Warner Cable; Convention Display; Gulf Distributing Co., Inc.; Gulf Distributing Co. of Mississippi; McGraw Rental; and Dr. Lester Spell, Commissioner of Agriculture.

The Sale of Junior Champions continues to mean a lot to our Mississippi youth livestock program. The 33 sales have grossed \$2,433,423.65, which is very impressive. The first sale in 1970 had a gross total of \$7,621.35. This outstanding activity has come a long way in 33 years!

► **2002 – MISSISSIPPI JUNIOR ROUND-UP LIVESTOCK SHOWS**

The 2002 Round-Up was another excellent educational event for youth in Mississippi with animal projects. The weather for the District Shows and the Junior Round-Up was excellent. We would like to see more participation; however, we had some really big shows as it was. We had 1851 total exhibits which included 925 beef exhibits, 154 dairy exhibits, 470 swine exhibits, 250 lamb exhibits, and 52 market goat exhibits.

It really takes a lot of people working together to make a show like this a success. Let me express appreciation to all agents, leaders, parents, exhibitors, specialists, and others who worked so hard during long days, etc. to make this an outstanding event. We have an outstanding junior livestock program and dedicated Extension workers doing an outstanding job. Your 4-H'ers, exhibitors, and parents should be proud of you. Congratulations!

Below is a report on number of your and number of exhibits for the various shows at Round-Up.
