Veterans as Percentage of Total Population

This graph depicts veterans as a percentage of the total population by the state/county of residence. Data were obtained from the National Center for Veterans Analysis and Statistics, U.S. Department of Veterans Affairs.

Veteran Population Growth Index (2010=Base Year)

This graph depicts the growth of the veteran population as an index where the year 2012=100 by the state/county of residence. To calculate the index, each succeeding year's veteran population was divided by the 2012 veteran population. An index value above 1.0 indicates that the veteran population is growing; an index below 1.0 indicates that the veteran population is declining. Data were obtained from the National Center for Veterans Analysis and Statistics, U.S. Department of Veterans Affairs.
